During the Liberal Studies Abroad field school we will live in shared apartments spread throughout the city and the basic accommodation, which is included in the program costs, is usually with 4-6 people, sharing a bathroom and a kitchen, and sharing a bedroom with one other person. If you want a single room in a shared apartment, and, if possible, you will be charged a \$800 supplement.

To help us group people in shared apartments, please fill out the following information as best you can.

1) When grouping students in shared accommodations students who identify as female are typically grouped with other female students and students who identify as male share with other with males. I identify as:

Male
