

TO APPLICANTS

Your **Statement of Interest** is a means of highlighting what you hope to achieve in the Master of Community Planning Program at Vancouver Island University.

Please include the following information in your Statement of Interest:

- Area of research interest for your Major Project or Thesis (this may be a general area in planning or a specific research question)
- Education that has prepared you to be successful in this program
- Other experiences (work, volunteer, etc.) that have prepared you to be successful in this program
- Your career aspirations
- Any other information (publications, conference presentations, field schools attended) that is relevant to your application to the Master of Community Planning Program.

Your Statement of Interest should be in a short essay format (maximum 750 words).

Domestic Students: Please submit it to the Admissions Department at Vancouver Island University either by mail/hand delivered or by email to registration@viu.ca. If emailed, your **name** and **Master of Community Planning Program** must be included in the subject line.

International Students: You can include your statement with your online application or email it to masters@viu.ca.

Questions? Please email the Master of Community Planning Program.
